

Delaware County Advocacy & Resource Organization (DCARO) and Values Into Action (VIA) wants YOU to be heard in the 2020 elections.

Registering to vote is easy and both **DCARO** and **VIA** encourage **EVERYONE** to get out there and vote on Tuesday, November 3, 2020. Family members and Caregivers should begin now to put a plan together to allow all of our loved ones with intellectual and developmental disabilities who are registered to vote be able to do so. Every voice counts!

Election Day: Tuesday, November 3, 2020.
